"Step into the enchanting world of the Storybook House! Nestled within a charming terrace, this three-bedroom haven has undergone a remarkable transformation, leaving no detail overlooked. Downstairs, discover two meticulously designed bedrooms, complemented by a breathtaking bathroom. Ascend to the upper level to find the luxurious master suite, complete with a bed, ensuite bathroom, and a north-facing balcony. Plus, a designated study area awaits your inspiration. The heart of this home beats with open-plan living, featuring a built-in couch, projector, and a cozy fireplace, seamlessly connecting to the adjoining dining/kitchen area equipped with all the modern conveniences you desire. Outside, a tranquil rear garden beckons, while ample storage and heating/cooling ensure comfort and conveni...
