Visually striking, timelessly sophisticated! PEMA Property is proud to present the Shade House - an unparalleled new residence providing a rich and sophisticated living experience, seamlessly integrating the best in modern luxury with functional architectural spaces. Designed to encapsulate a sleek and minimal aesthetic, the Shade House utilises linear geometry and textural surfaces to create an everlasting style that will remain relevant for generations. Located in a quiet leafy street and nestled amongst natural beauty, the Shade House is a modern take on neoclassical design. The bold interior showcases four bedrooms including a decadent master suite with fully-fitted dressing room complemented by three beautiful bathrooms (dual ensuites) and guest powder room. Five-star family accommodation is further enhanced by the inclusion of a dedicated study with workstation, lounge/retreat (upstairs) and expansive open living/dining zone serviced by an artisan kitchen w...
