Set to impress and offering a perfect blend of style, space, and functionality all within a quiet and convenient location. Filled with natural light, the spacious interior of this home boasts three generous bedrooms, with built-in robes in two, while the master suite features a walk-in robe and ensuite. The sleek and functional kitchen comes equipped with stainless steel appliances, including a dishwasher, and ample cabinetry. Adding to the allure are expansive living areas spanning two levels including; open plan living/dining downstairs plus a study area perfect for remote work or study, and an upstairs retreat providing additional space for relaxation or entertainment. Other highlights include a central bathroom that is tiled from floor to ceiling with separate bath and shower and additional powder room, heating/cooling, hardwood floors, and laundry. A single garage provides secure parking and storage space, complemented by a private courtyard that offers a tra...
