Rick Daniel was excellent to deal with ★★★★★

Rick Daniel was excellent to deal with. He went out of his way to keep us informed of available homes and what was happening in the market over many months. He took us through three private viewings and gave us solid advice to negotiate the purchase of one of those homes. He then helped us with the rental of our previous home. Rick was professional and friendly throughout and we felt very well looked after. We would recommend Rick to vendors and purchasers. He found our dream home and helped us obtain it. Thank you Rick!
